

RESOLUTION NO. 2010-6

A RESOLUTION OF THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA, URGING THE FLORIDA LEGISLATURE TO ADOPT AND THE GOVERNOR TO SIGN LEGISLATION PROHIBITING TYPING, SENDING OR READING OF TEXT MESSAGES AND E-MAILS WHILE OPERATING A MOTOR VEHICLE, AND ONLY ALLOWING CELL PHONE USAGE WHILE DRIVING WHEN UTILIZING A HANDS-FREE DEVICE; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, according to the New York Times, more than 110,000,000,000 text messages were sent in the United States during the month of December 2008 alone, a tenfold increase in just 3 years; and

WHEREAS, a 2008 study by Nationwide Insurance found that 20 percent of drivers in the United States send text messages while operating motor vehicles; and

WHEREAS, texting and portable E-mail are valuable to consumers, businesses, and private individuals throughout the United States, but those services also create an extreme risk when used by individuals while operating motor vehicles; and

WHEREAS, a study by the Virginia Tech Transportation Institute has concluded that people who send text messages while driving are 23 times more likely to be in a crash; and

WHEREAS, a test by Car and Driver Magazine found that in some cases, a person's reaction time was harmed more by texting while driving than while driving under the influence of alcohol; and

WHEREAS, in January of 2009, the National Safety Council called on state and federal lawmakers to ban the use of cell phones and text messaging devices while driving; and

WHEREAS, the Secretary of the United States Department of Transportation has stated that, "If it were up to me, I would ban drivers from texting immediately;" and

WHEREAS, pursuant to Section 316.0075, Florida Statutes, municipalities are preempted from regulating the use of electronic communication devices in a motor vehicle; and

WHEREAS, the Village Council believes that the threat to health, safety and welfare of the citizens of the State of Florida from this activity is so great, that there is a need for state legislation to be adopted prohibiting typing, reading or sending of text messages and e-mails while operating a motor vehicle and only allowing cell phone usage while driving when utilizing a hands-free device; and

WHEREAS, the Village Council believes that it is in the best interest of the citizens of the State of Florida for the Legislature to adopt and the Governor to sign legislation regulating texting and use of cell phones without hands-free devices while operating a motor vehicle, so as to ensure uniformity throughout the State.

NOW, THEREFORE, BE IT RESOLVED BY THE VILLAGE COUNCIL OF THE VILLAGE OF KEY BISCAYNE, FLORIDA, AS FOLLOWS:

Section 1. **Recitals Adopted.** The recitals set forth above are hereby adopted and confirmed.

Section 2. **Legislation Urged.** The Village Council urges the Florida Legislature to adopt and the Governor to sign legislation prohibiting typing, reading or sending of text messages and e-mails while operating a motor vehicle and only allowing cell phone usage while driving when utilizing a hands-free device.
